

**GOVERNMENT COLLEGE (A) RAJAMAHENDRAVARAM**

**(Re-Accredited by NAAC with "A+"Grade)**

**(W.e.f 2023-2024 Admitted Batch)**

**1st Year BBA LOG  
semester-II  
SURFACE TRANSPORTATION**

Question Bank

UNIT-1

**ESSAY QUESTIONS**

1. Explain the Role Of Transportation
2. Explain the Various Land Transport Carriers And Their Load Capacities
3. Discuss the Functions Of Transportation In Logistics

**SHORT QUESTIONS**

1. Define Surface Transportation
2. Need Of Transportation
3. Types Of Temperature
4. Inter Modal Transportation

**VERY SHORT QUESTIONS**

1. Temperature
2. Transportation Metrics
3. Transit Rules
4. Verifications Of Carriers

**MULTIPLE CHOICE QUESTIONS**

1. ST means
  1. **Surface Transportation**
  2. Seat Transfer
  3. Store Transportation
  4. None

2. Surface Transportation means the movement of people

- A. Train
- B. Road
- C. Ship
- D. All the above**

3. Transportation metrics are

- 1. **quantitative measures**
- 2. qualitative measures
- 3. Both A and B
- 4. None

4. Types of transportation metrics

- 1. Reliability Metrics
- 2. B .Efficiency Metrics
- 3. B .Efficiency Metrics
- 4. Safety Metrics
- 5. **All the above**

## UNIT-2

### ESSAY QUESTIONS

- 1. Explain the various reasons of delay during transit
- 2. Explain about transport optimization
- 3. Discuss the documentation for transportation

### SHORT QUESTIONS

- 1. Discuss the importance of consignment number
- 2. Describe the solutions for delay
- 3. Explain GST-e-way billing
- 4. Discuss the procedure for downloading data

### VERY SHORT QUESTIONS

- 1. Define re-routing
- 2. Define transportation telematics
- 3. GPS systems
- 4. Consignment number

## MULTIPLE CHOICE QUESTIONS

1. What are the various reasons for delays during transit?
  - a. Bad Weather
  - b. Traffic
  - c. Truck Mechanical Problems
  - d. **All of the above**
  
2. What are the solutions for corrective actions?
  - a. Market Distortions
  - b. Highway Safety Patrols
  - c. Vehicle Sharing
  - d. **All of the above**
  
3. E-way bill is an
  - a. **Electronic Document**
  - b. Written Document
  - c. Illegal Document
  - d. None
  
4. IDTR means
  - a. **Institute of Driving Training Research**
  - b. Indian Driving Training Research
  - c. Institute of Driving Teacher Research
  - d. Institute of Driving Training Remedy

## UNIT-3

### ESSAY QUESTIONS

1. Explain the Organization Structure in Transport Organization
2. Explain the importance of safety data sheets and labels.
3. Discuss the procedure for Consolidation of consignments for optimal loads

### SHORT QUESTIONS

1. Discuss about Safety data sheets
2. Explain discrepancies reporting
3. Explain steps to close deliveries
4. Discuss incident management systems

## VERY SHORT QUESTIONS

1. Safety Data Sheets
2. Hazmat Goods
3. Transport Organization
4. Consignment

## MULTIPLE CHOICE QUESTIONS

1. Hazmat is an abbreviation for
  - a) Honey goods
  - b) Hot goods
  - c) **Hazardous goods**
  - d) None
2. Incident Management Process include
  - a) Resolution
  - b) Escalation
  - c) Communication
  - d) **All the above**
3. SDS full form
  - a) **Safety Data Sheets**
  - b) Sanitary details stage
  - c) Stationary data sheets
  - d) None
4. Procedure for consolidation of consignments include
  - a) Grouping
  - b) B .Space Optimization
  - c) B .Inventory Analysis
  - d) **All the above**

## UNIT-4

### ESSAY QUESTIONS

1. Explain the benefits of efficient transportation system
2. Explain various government regulations on transportation in India.
3. List out the good practices in Driving

## SHORT QUESTIONS

1. Discuss the emerging trends in transportation sector
2. Elaborate pricing in transportation sector
3. What are the safety procedures to be taken during Transit
4. Explain the Emergency response steps during transit

## VERY SHORT QUESTIONS

1. Maritime transportation
2. Rail transportation
3. Electrification
4. Green logistics

## MULTIPLE CHOICE QUESTIONS

1. What are the various safety procedures to be taken during transit?
  - a) Pre-Transit Safety Measures
  - b) In- Transit Safety Measures
  - c) Emergency Response Steps
  - d) All of the above**
2. List out the Good Practices in Driving
  - a) Stay Focused
  - b) Obey traffic laws
  - c) Stay Sober
  - d) All of the above**
3. Emergency Response Steps include
  - a) Communicate
  - b) Provide First Aid
  - c) Investigate
  - d) All of the above**
4. Benefits of Efficient Transportation System include
  - a) Road transportation
  - b) Public transit
  - c) Aviation
  - d) All of the above**

## UNIT-5

### ESSAY QUESTIONS

1. Explain various factors influencing rail logistics
2. Explain various features and facilities offered by rail logistics
3. Explain innovative schemes to popularize rail logistics in India

### SHORT QUESTIONS

1. Discuss Vendor coordination for return truck loads
2. Elaborate DG Handling
3. What are the facilities to popularize rail logistics in India
4. Explain the importance of Customer Management

### VERY SHORT QUESTIONS

1. Customer Management
2. Vendor Coordination
3. Rail Logistics
4. Truck loads

### MULTIPLE CHOICE QUESTIONS

1. What are the various factors influencing Rail logistics?
  - a. Technology
  - b. Economic Trends
  - c. Infrastructure
  - d. All of the above**
2. In DG Handling, DG means
  - a. Dangerous Goods**
  - b. Data Goods
  - c. Digital Goods
  - d. Delay Goods
3. ICAO
  - a. Indi crime Account Org
  - b. Indian crime aid org.
  - c. International Civil Aviation Org.
  - d. None

4. Several critical steps to ensure safety compliance in DG Handling goods
  - a) Packaging
  - b) Labeling
  - c) Marking
  - d) All of the above**
