

**The Department of Physics & Electronics GC (A),
Rajahmundry**
A brief Report on

ational Energy Conservation Week Celebrations -A Rally,

Conducted on 15th Dec 2023

Date : 15th Dec 2023

Name of the Event : Rally

Topic on placards : Awareness on conservation of energy through Slogans

No of participants : 100(staff+students)

Objective : 1. To make the society aware of energy conservation-

2. To implement the saving of energy in daily life

Procedure : A circular/whats app message was sent one day before the program to all PG and ug students to gather at saraswati statue and planned to do rally in and outside premises of the college

Summary of the event :On the occasion of energy conservation Week Celebrations, the department of physics and electronics conducted an awareness campaign in the college campus about saving electrical energy by minimum usage of lights and fans, avoiding unnecessary usage of air conditioners.

The campaign is also continue in the outside of college campus starting from Main gate and continued to Rythu bazar and back to college through Eatstreat.

More than 100 Students and 25 staff members were participated and chanted the slogans related to energy conservation. The students prepared placards with slogans written on it.
