1<sup>st</sup> International Conference on  
**Environmental Challenges and Remedies for  
Sustainable Future (ICECRSF-23)**

15-16<sup>th</sup> SEP, 2023

VENUE :

Dr. B.R. Ambedkar Seminar Hall, Govt. College (A), Rajahmundry

**ORGANIZED BY  
DEPARTMENT OF  
CHEMISTRY**

**GOVERNMENT COLLEGE (A), RAJAHMUNDRY**

**GOVERNMENT COLLEGE (A), RAJAHMUNDRY**

(Estd: 1853, Affiliated to Adikavi Nannaya University)

East Godavari Dist. A.P. - 533 105.

An Autonomous Institution since 2000

Accredited by NAAC (RAF-2017) with "A+" Grade (CGPA: 3.38/4.00)

1<sup>st</sup> International Conference on  
**Environmental Challenges and Remedies for Sustainable Future  
(ICECRSF-23)**

*Welcome*

Chief Guest  
**Prof. K. Padma Raju**  
Vice Chancellor  
Adikavi Nannaya University,  
Rajamahendravaram

Guest of Honour  
**Sri Amit Narayana**  
Executive Director  
ONGC Rajahmundry Asset

Chief Patron  
**Dr. Pola Bhaskar IAS**  
Commissioner APCCE

Patron  
**Dr. David Kumar Rapaka**  
Joint Director APCCE

Guest of Honour  
**Dr. Krishna Chappidi**  
RJD-Rajahmundry

President  
**Dr. Ramachandra R K**  
Principal  
Government College (A) Rajahmundry

Convener  
**Sri T Srinivasa Rao**  
Head of the Department  
Chemistry

Organizing Secretary  
**Dr. B Mallikarjuna**  
DST FST Coordinator  
Dept. of Chemistry

**Dr. M. Subrahmanyam**  
Scientist (Retd.)  
& Ex Emeritus Scientist  
CSIR- ICT, Hyderabad, Telangana

**Dr. AVR Reddy**  
Scientist (Retd.)  
CEO GII Mumbai

**Prof. M.V. Shankar**  
Yogi Vemana University Kadapa

**Dr. Kurugunda Chandrasekhar Naidu**  
Chief Scientist,  
Ministry of Water and Sanitation, Botswana, Africa

**Prof. Mahendra Sankara**  
Director Core Center  
University of Louisville

**Dr. Jacek Jasinski**  
Core Center,  
University of Louisville

**Dr. Jan-Mo Yang, Ph.D.**  
NCTD, National Nanofab Center,  
The Republic of Korea

**Dr. Bijendra Kumar, Ph.D.**  
EEL, North Carolina USA

**Dr. Shama VVSS**  
Chief Scientist, CSIR-NIO  
Vashikapatnam

**Dr. D. Amananthe Reddy**  
Assistant Professor (Grade-I),  
Department of Sciences,  
BITDAH Kurnool.

**Dr. Penki Tirupathi**  
NewMu Ltd., London, UK

*Compiled by: B. VENKATA RAO, Lecturer in Chemistry*

On 15<sup>th</sup> & 16<sup>th</sup> September, 2023, the department of Chemistry organized 'Two Day 1<sup>st</sup> International Conference on Environmental Challenges and Remedies for Sustainable Future (ICECRSF-23) commemorating the World Ozone Day on 16 of September, in Dr. B. R. Ambedkar Seminar Hall, Government College Autonomous, Rajahmundry.

At the outset, the organizing team whole heartedly render their gratitude to the Commissioner of Collegiate Education, AP, Dr. Pola Bhaskar IAS Garu, for encouraging to conduct the program and for issuing On Duty proceedings (vide exhibit in page 82) for the participants and Principal Dr. Ramachandra R K Garu for granting permission and motivating the team to achieve this success. This International event would not have achieved such a great applause without the cooperation of all the teaching and non-teaching staff members of the college in general and members of the department of chemistry in particular. Head of the Department of Chemistry Sri T. Srinivasa Rao acted as Convenor and Dr. B. Mallikarjuna, Lecturer in Chemistry acted as the Organizing Secretary. The decision to conduct this program was taken in the departmental meeting no. 06/2023 and 07/2023, held on 16-08-2023 & 17-08-2023 (as per annexures, page no. 72...).

The organizers are highly thankful to Sri Amit Narayan Garu, Executive Director, ONGC, Rajahmundry Asset for assisting the event by sanctioning to the tune of Rs. 50,000/- towards conference expenditure (page no. 80). Also thankful to Prof. K. Padma Raju, Hon'ble Vice-chancellor, AKNU, Rajamahendravaram, Prof. G. Sudhakar, Registrar, AKNU, Rajamahendravaram and Sri Gazal Srinivas Garu for gracing the occasion and making it a grand success. The organizers are equally thankful to all the resource persons who

made all the way to attend the conference. And thankful to all the participants for their meaningful involvement in the conference.

For finalizing resource persons, chief guests and for organizing the Conference, committees were constituted which includes faculty members, non-teaching staff and students. (as per annexures. Page no. 81).

The International Conference started with the 'dwajaroohanam', i.e., release of flyer on 17-08-23 by Principal sir in the presence of faculty members in the board room of the college. On 15 & 16, of September 23 International Conference in chemistry was organized for which more than a couple of hundred participants took part (242 both online and offline). The resource persons were from across the spanning the countries like the USA, South Korea, Botswana (Africa), making the program 'International' in its true spirit.

While delivering the keynote address, they stressed the need for this type of seminars and emphasized the need in fulfilling the ever-growing energy needs of the fast-growing world economy in general and Indian economy in particular. The dignitaries distributed certificates to the participants and prizes to the winners of oral and poster presentations of this International Conference.

### Day-1, 15-19-2023

Two-Day International Conference Day-1 i.e., 15-19-2023 started with inviting distinguished guests on to the dais by Dr. J. Suresh followed by Jyoti Prajvalan and Prayer. Opening Remarks to the National Conference by the President of the Session Dr Ramachandra R K, Principal of the college. Sri T. Srinivasa Rao, Lecturer in Chemistry, addressed the gathering in the capacity of Head of the

Department of Chemistry, regarding the necessity in creating this type of scientific platforms for addressing the needs of the society. Chief Guest Prof. K. Padma Raju, Hon'ble Vice-Chancellor, AKNU, Rajamahendravaram, addressing the gathering and stressed the need to rely upon alternative sources of energy instead of non-renewable sources. He also emphasized the need to create legacy for the college by the present stakeholders rather than solely relying upon the existing legacy. The dignitaries on the dais released conference proceedings (Souvenir) compiled by Sri B. Venkata Rao, Lecturer in Chemistry. Later felicitation program was taken up.

Technical Session -1: Special Guest, Dr. M. Subramanyam, retired scientist, G, & Emeritus Scientist, CSIR-IICT, Hyderabad, Telangana, gave Keynote Address on 'R & D for Sustainable Environment and Energy'. Dr. T. Narasimha Murthy, lecturer in chemistry, introduced the special guest.

Invited Talk by Dr. AVR Reddy, retired scientist, CEO, GII-Mumbai on 'Environment Monitoring: philosophy, sustainability, and speciation studies, for which Dr. B. Mallikarjuna, Lecturer in Chemistry, introduced the resource person.

Technical Session-2. Dr. Kurugundla Chandrasekhar Naidu, Chief Scientist, Ministry of Water and Sanitation, Botswana, gave invited talk on 'Protection, Management and Conservation of Wetlands in Northern Botswana of Africa for Sustainable Utilizations'. Sri B. Venkata Rao, Lecturer in Chemistry, introduced the resource person to the august gathering while Prof. M. V. Shankar acted as Director for the session.

An online session followed by paper (oral) presentations were taken up during the session. Cultural activities by the students of the

college stood highlight of the day. Certificates were issued to the participants while the dignitaries were felicitated.

### Day Two-16-09-2023

Address by Chief Guest Sri Amit Narayan, executive director, ONGC, Rajahmundry Asset followed by another guest of honor Sri Gazal Srinivas.

The above program was followed by Invited lecture by Prof M V Shankar, Yogi Vemana University, Kadapa on 'Heterogeneous Photocatalysis for Sustainable Hydrogen Production: Challenges and Recent Developments'. He was introduced by Dr. M Trinadh, Lecturer in Chemistry, while Dr. M. Subramanyam acted as the Chairperson for the session.

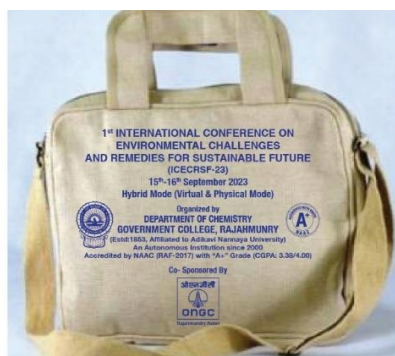

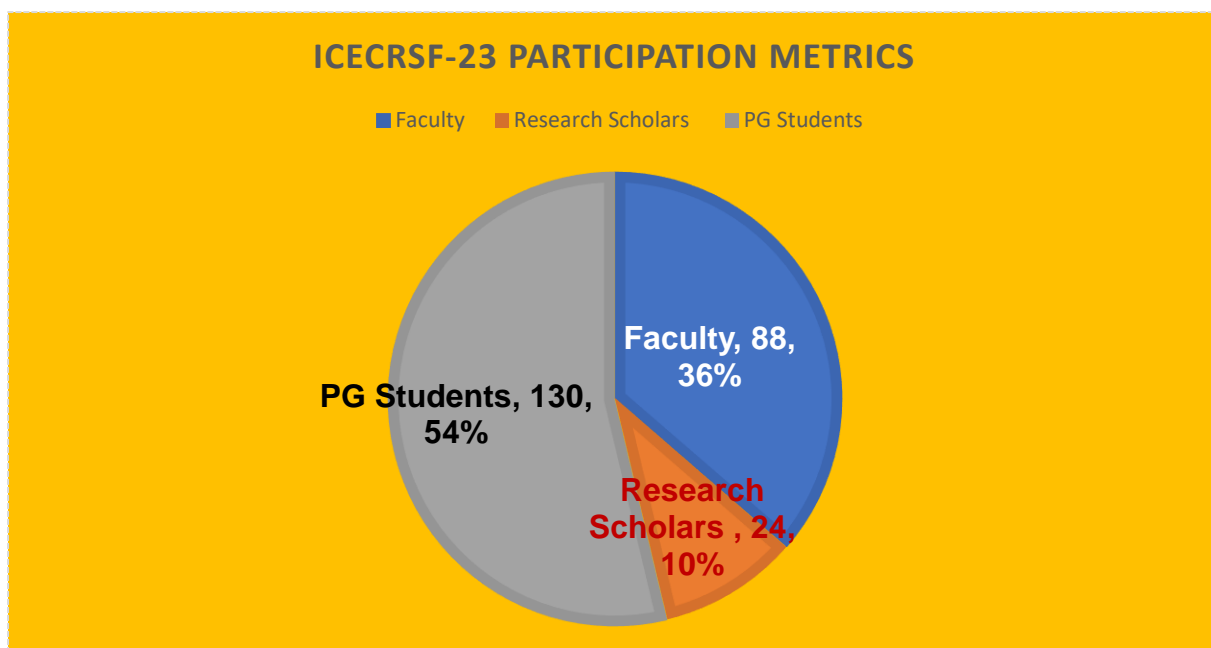

Dr. K Narayana Swamy, Asst. Professor, SRM University, Vijayawada, gave an invited talk on 'Synthesis of Organic and Organic-inorganic Hybrid  $\pi$ -conjugated Semiconducting Materials for Optoelectronic Devices.' For this session Prof M V Shankar acted as chairman while Dr V. Satyanarayana introduced the resource person to the august gathering.

Oral and Poster presentation sessions followed. During this simultaneously interaction of meritorious school children with environmental scientists was also conducted. Good number of school children participated. Later a rally was organized symbolizing the significance of protecting ozone layer in general and environment in particular.

Dr. B. Mallikarjuna, Lecturer in Chemistry, submitted the International Conference Report to the august gathering and got the approval.

### Valedictory & Certificate Distribution.

Prof G. Sudhakar, Registrar, AKNU, Rajamahendravaram, acted as the Chief Guest for the Valedictory session. Cash prize distribution to winners of poster and paper presentations was given. Distribution of Conference Certificates to the participants. Organizers of the International Conference were served with mementoes as a token of memorable event. Dr. B. Mallikarjuna, Organizing Secretary & Lecturer in Chemistry, presented vote of thanks. The Two-Day International Conference, ICECRSF-23, culminated with National Anthem. International Conference Highlights Coverage in all leading Vernaculars and some English newspapers.

**About College**  
Government College (A)-Rajahmundry is established in 1853 and it is first & oldest government college in Andhra Pradesh. In early 19th century the government college Rajahmundry is one of the three graded colleges in Madras Presidency. The college was conferred autonomous status in 2000. Recently the college was reaccredited in Revised Accreditation Framework by NAAC A+ with 3.38/4.00 CGPA. The college is conferred with the status of College with potential for excellence (CPE) in 2016 by UGC. The college has received Rs. 80 lakhs from DST-FIST to strengthen teaching and research facilities in all science departments. At present the college is offering 53 UG programs and 14 PG level programs. The college caters the education needs of nearly 7000 students at UG&PG levels besides offering doctoral degrees from 9 Research Centres.

**About Department**  
The Department of Chemistry is one of the oldest department in the state and country. It started UG Courses in 1891 & PG courses in 1971-72. Present offering 16 UG Courses, 3 PG Courses and 2 Certificate courses. It is the biggest department in the state with 28 sanctioned chemistry posts. The department is equipped with advanced research facilities. The Dept has a Research Centre recognized by Andhra University and Adikavi Nannaya University. The department participates in extension activities of the college. The department caters to the need of the industry. Recently the department introduced job oriented courses like Food M.Z.C, Agro B.B.C in 2017-18 and M.C. Analytical Chemistry ZC, Aquaculture and BC Horticulture in 2018.

**About the Conference:**  
The International Conference on Environmental Challenges and Remedies for a Sustainable Future is a prestigious event that brings together experts, researchers, policymakers, and practitioners from around the world to discuss and address the pressing environmental challenges of our time. This conference aims to foster insightful discussions, exchange innovative ideas, and propose effective remedies for achieving a sustainable and eco-friendly future.

**Conference Focuses on :**

- Biodiversity Conservation and Ecosystem Restoration
- Biofuels
- Depletion of Ozone
- Energy Management
- Energy Storage Devices
- Environmental Protection
- Environmental Risk Assessments
- Environmental Sustainability and Development
- Greenhouse Effect, Global Warming, and Climate Change
- Nanotechnology Impacts on Environment
- Pollution Control and Waste Management
- Renewable and Non-Renewable Energies
- Water Crisis and Water Resource Management
- Green Technology and Innovation
- Environmental Policy and Governance

**Oral Presentations**  
Eligibility:- Research Scholars/Students  
Theme:- Conference Topics  
1st Prize:- Rs. 2000/-  
2nd Prize:- Rs. 1000/-  
3rd Prize:- Rs. 500/-

**Poster Presentations**  
Eligibility:- Research Scholars/Students  
Theme:- Conference Topics  
1st Prize:- Rs. 2000/-  
2nd Prize:- Rs. 1000/-  
3rd Prize:- Rs. 500/-

*Dt: 17-8-23. Dr. Ramachandra RK, Principal, releasing flyer and giving instructions to the organisers to make the ICECRSF-23 a grand success.*

Dear Sir/ Madam,

We are pleased to inform you that Department of Chemistry, Government College (A) Rajahmundry is going to organize a two-day International Conference on "Environmental Challenges and Remedies for sustainable Future "(ICECRSF-23) in Hybrid mode (virtual and physical) On 15- 16th September-2023.

This will give an excellent opportunity for faculties, researchers, and students to interact with experts from academic, industry and national institutes and get exposure to this frontier area. On behalf of the Organizing committee, we have great pleasure in inviting you to submit abstract and participate in the event ICECRSF-23. Last date for abstract submission is 5th September 2023. The abstracts will be published with ISBN number.

We are certain that your presence would inspire the scientific community and ignite the minds of young talented participants. It is our desire to make the conference ICECRSF-23 a memorable event.

Registration link is <https://forms.gle/qvvUPMMh4ME7CTsW7>

Thanking You. Yours Sincerely, Dr B Mallikarjuna, Organizing Secretary

10.00 -11.00AM	<b>Chair Person Dr M Subramanyam</b>
	<b>Introduction of Special Guest by Dr M Trinadh</b>
	<b>Invited Talk-4 “Heterogeneous Photocatalysis for Sustainable Hydrogen Production: Challenges and Recent Developments” by Prof M V Shankar, Yogi Vemana University Kadapa</b>
	<b>Felicitation</b>
11.00-11.30AM	<b>Address by Sri Amith Narayana Garu, ED, ONGC- Rajahmundry Asset</b>
11.30AM-11.45AM	<b>Tea Break</b>
11.45-12.30PM	<b>Chair Person Prof M V Shankar</b>
	<b>Introduction of Resource Person by Dr V Satya Narayana</b>
	<b>Invited Talk-5 “Synthesis of Organic and Organic-inorganic Hybrid <math>\pi</math>-conjugated Semiconducting Materials for Optoelectronic Devices” by Dr K Narayana Swamy, Asst. Professor, SRM, Vijayawada</b>
	<b>Felicitation</b>
12.30-1.15PM	<b>Chair Person Dr K Narayana Swamy</b>
	<b>Introduction of Resource Person by Smt M Padmaja</b>
	<b>Invited Talk-6 “Environmentally sustainable materials for CO2 conversion into useful Fuels” by Dr Ramachandra R K* and Josh Spurgion1, *Crystal Growth and Nano Science Research Centre, Department of Physics</b>
	<b>Felicitation</b>
1.15-.2.00PM	<b>Lunch Break</b>
2.00-2.30 PM	<b>Interaction with School Children</b>
2.30-2.45PM	<b>Rally</b>
2.45-4.00PM	<b>Invited Talks/ Oral Presentations /Poster Presentations</b>
4.00-4.15PM	<b>Tea Break</b>
4.15-5.00PM	<b>Valedictory &amp; Certificate Distribution</b>

*Welcoming the Chief Guest, Prof. K. Padma Raju, Hon'ble Vice Chancellor, AKNU,  
Rajahmendravaram with guard of honour by NCC cadets.*

*Welcoming the distinguished guests on to the dais*

1st International Conference on Environmental Challenges and Remedies for Sustainable Future,  
15 & 16 September, 2023

*Jyothi Prajvalan by dignitaries on the dais.*

 *It's Prayer Time!* 

*Dr. Ramachandra RK, Principal of the college giving presidential remarks*

*Prof. K. Padma Raju, Hon'ble Vice-Chancellor, AKNU, presenting keynote address.*

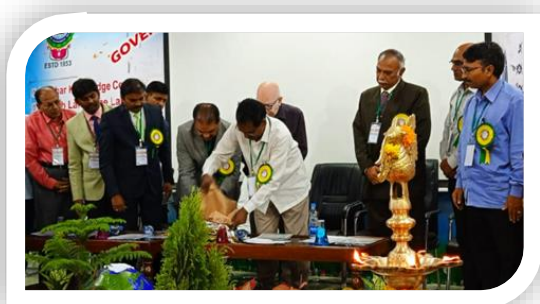

*Prof. M V Shankar, Yogi Vemana University, Kadapa....*

*Prof Subramanyam, Prof Reddy, & Prof Kurugundla gracing the occasion*

## Release of Souvenir (conference proceedings) by the dignitaries

### *Instructions by Convenor*

*Dr. Sunkara Mahendra from Conn Centre, Louisville, USA delivering his online lecture on environmental protection for sustainable development and the opportunities available in the Western World.*

*Dr AVR Reddy & Dr M Subramanyam giving lecture followed by interaction with participants*

*Great Scientists at loggerheads for Environmental cause!*

*Dr. Kurugundla, Chief Scientist, Ministry of Water & Sanitation, Botswana, Africa, delivering his lecture.*

*Sri G. Krishna Kapoor, established 'Kapoor Daie Prakruti Seva Samstha' ardent lover of environment, planted more than 20,000 saplings. Felicitation to a true Environmentalist*

Invited talk by Prof. M V Shankar, Yogi Vemana University, Kadapa.

## Oral Presentations

GOVERNMENT COLLEGE (A), RAJAMAHENDRAVARAM  
DEPARTMENT OF CHEMISTRY  
TWO-DAY INTERNATIONAL CONFERENCE ON  
"ENVIRONMENTAL CHALLENGES AND REMEDIES FOR  
SUSTAINABLE FUTURE"  
ICECRSF-23  
15-16<sup>th</sup> September 2023

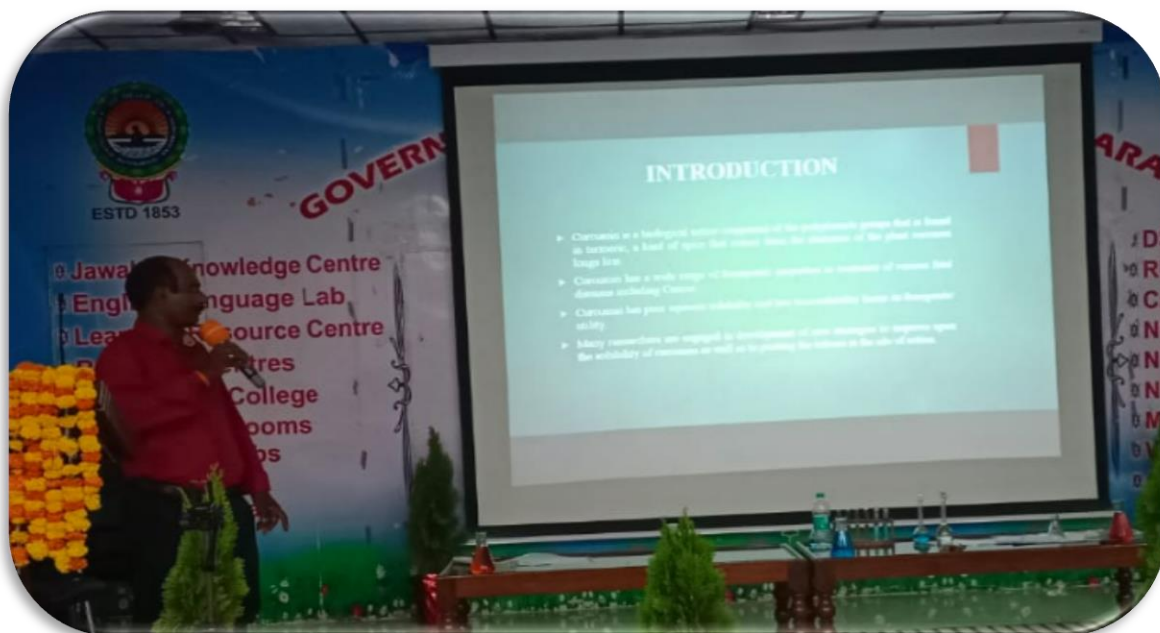

### Guidelines for oral presentations

*An oral Presentation should have the following:*

- ✓ Title
- ✓ Introduction
- ✓ Body
- ✓ Conclusion
- ✓ Questions

*Presentation should complete in 6-8 minutes*

## Cultural Activities by our college students as part of ICECRSF-23

# Call to find solutions for climate change challenges

DEEKSHITULA  
SUBRAHMANYAM  
RAJAMAHENDRAVARAM

ADIKAVI Nannaya University (AKNU) Vice-Chancellor Prof K Padma Raju said that there is a need for scientists to find solutions for climate change challenges. He explained that clean air, water and habitable land can be provided for future generations only with environmentally

sound development.

He inaugurated an international conference on 'Environmental

Challenges and Remedies for a Sustainable Future' at the Government College (Arts College) here on Friday. Later, he participated in the conference as the chief guest and explained the growing importance of environmental

protection and pollution prevention meas-

ures internationally. He unveiled the souvenir printed on the occasion of the conference.

College Principal Dr K Ramachandra Rao called upon every student to represent the green movement. He reminded students that Government Arts College has a rich history. Teachers and students should inherit the glory of this history and grow as scientists.

## Nation needs to focus on renewable energy resources

DEEKSHITULA  
SUBRAHMANYAM  
RAJAMAHENDRAVARAM

ONGC, Rajahmundry Asset Executive Director Amit Narayan has said that there always exists a conflict between energy usage for economic development and environmental protection. However, there should be a judicious balance between the same, and ultimately environmental sustainability shall prevail, he said.

The two-day international conference on 'Environmental Challenges and Remedies for

ONGC, Rajahmundry Asset Executive Director Amit Narayan speaking at the valedictory meeting of the two-day international conference in Rajamahendravaram on Sunday

'Sustainable Future' organized by the Department of Chemistry at Government Autonomous College concluded on Sunday. Amit Narayan attended as chief guest at the conference.

He said, "As India is aspiring to be the third largest economy, more energy will be consumed by the economy. For this, the focus should be on renewable energy resources. ONGC is in the forefront in this direction." Distinguished guest Gazal Srinivas said that nature or environment is nothing but mother. He opined these types of confer-

ences with eminent scientists will create knowledge, but the same should percolate to the streets through mediums like local street plays, etc.

Prof MV Shankar from Yogi Vemana University, Kadapa, explained about the latest developments and research that is taking place the world over about the production and usage of hydrogen as an alternative fuel for the future generations.

Dr Ramachandra Rao, Principal of the autonomous college and Prof G Sudhakar, Registrar, AKNU, graced the valedictory function.

## Resolutions for the International Conference, ICECRSF-23.

6 Staff meeting No.06/2023 Dt: 16-08-2023

A Staff meeting was conducted under the Chairmanship of In-charge of the department at Staff room at 5 PM on 16-08-2023 in order to discuss the following agenda.

AGENDA:-

- 1) Updation of departmental website
- 2) Communication to First year Students
- 3) Applying for funding of Seminars / workshops / FDP etc Under DST-SERB and other Government agencies.
- 4) International Seminar
- 5) Appointment of BOS - Coordinator
- 6) Regarding finalisation of Laboratory chemicals list
- 7) Regarding NAAC registers.
- 8) Regarding Deeksharambh.
- 9) Celebration Lavoisier's Birthday on 26-08-2023.

Discussion (1)

From the instructions of the Principal, Sri T. Srinivasa Rao I/c.D informed that the department website Co-ordinator Sri M. Suchakar with the Co-operation of Committee members is directed to update the departmental website for every fortnight. Some Staff members suggested for monthly updation of website due to heavy work.

Resolution : It is Unanimously resolved to update website for every fortnight as it is important to communicate dept. activities to the Students and the Public.

Discussion (2)

Subject: Regarding Sponsorship for International Conference

To: <[drmallychem@gcrjy.ac.in](mailto:drmallychem@gcrjy.ac.in)>

Dear Ma'am/Sir,

It gives us immense pleasure to inform you that ONGC Rajahmundry Asset has accepted your proposal for sponsorship of a two-day international conference on "Environmental Challenges and Remedies for Sustainable Future". The amount approved by the competent authority is of Rs. 50,000/- for S.No. 2 & 3 i.e. Venue and Facilities and Conference Materials as per the given proposal.

Kindly find the attached ONGC logo for branding purposes on conference material and on venue and other facilities during the proceedings. Also ensure the same by providing the pictures of branding to the undersigned.

Thanks, and regards,  
Udit Nautiyal  
Public Relations Officer  
Rajahmundry Asset

\*\*\*\*\*

It is to inform that the Principal, Government College (A), Rajahmundry in his letter cited in the reference above, informed that the college is organizing a two day International conference on “**Environmental Challenges and Remedies for sustainable Future**” ICECRSF-23, on **15-16th September 2023**. He further submitted that the international conference is useful to inspire , innovate and develop the academic and research capabilities among the faculty members, research scholars and students.

In this Connection, the Principal, Government College (A), Rajahmundry requested the CCE to sanction ON-DUTY to the participants from Government Degree Colleges in the state of Andhra Pradesh as many faculty members from Government Degree Colleges are attending the conference and presenting papers from all the corners of state.

In the circumstances stated above, the Commissioner of Collegiate Education A.P Mangalagiri, hereby permits the Principals of Government Degree Colleges in the state to sanction “ON DUTY” to the Lecturers who are attending International conference at Government College (A), Rajahmundry on 15-16<sup>th</sup> September 2023 on submission of Attendance Certificate issued by Government College (A), Rajahmundry.
