### **Summary of the event** :

Science Day in 2024 was a week-long celebration that took place from February 23nd to February 28th. During this event, all 11 science departments actively participated in various academic competitions. These competitions included events such as Quiz, elocution, essay writing, JAM, Debates, and painting. One of the highlights of the celebrations was a state-level poster presentation competition. This event was promoted through WhatsApp messenger and JKC mail, attracting a total of 39 poster presentations from different Government degree colleges.

Among the participants, Anupama, a student from our college in II BSc MPCs, secured the first place in the competition and was awarded a prize of 5000 rupees. The second place was awarded to Kovvuru GDC college, receiving a prize of 3000 rupees. The third place was secured by GC(A), Rajahmundry.

On the college open day, 104 science projects were prepared by the students of all science departments and exhibited them to school and college students. A panel of judges namely Dr. Sujatha, Department of Commerce, Sk Jareena, Department of Telugu and Ch.Sanjeev Kumar, Department of Economics evaluated best projects from each science department and cash prize was awarded to those best projects.

To enrich the celebration, popular lectures were organized on Science Day ie 28/02/2024 in seminar Hall. Distinguished guests such as Sri. V. Krishna Rao, Dr. K Sarala (Principal Scientist, CTRI, Rajahmundry), Dr. P Srinivas (Head R&D, ITC Ltd. Rajahmundry), and chief guest Dr Ch. Tulasi Madam, Academic Guidance Officer from CCE, AP Mangalagiri were present to award prizes to the winners of school children, poster presentations, and the eleven best projects from all science departments.

Overall, the Science Day celebrations in 2024 were a testament to the enthusiasm and talent of students and faculty members across various science disciplines. It was a joyous occasion that highlighted the importance of science education and research in our community.
