

August 2022

As per the recommendation of the principal a staff meeting register is maintained from 2022

It has been suggested by the principal to note down the work distribution in the department and to get it endorsed after completion of the work for smooth and efficient functioning of the department.

In case any faculty is not willing to do the assigned work, they may quote the reason and put a signature

Any department specific resolutions shall also be put on paper in this register and signed by all the faculty.
